It's part of our exciting Bike Valley to Sierras Bike Tourism project.

This is your opportunity to tell us about your cycling experiences in the targeted areas. You'll be able to present your ideas and identify needed road improvements based on your observations.

You can't come, but have ideas? That's OK. Send your ideas about priority improvements, attractions to highlight, or anything else, to [rob@calbike.org](mailto:rob@calbike.org).
